### **New Business**

- Matt Lichtenstein will contribute to RVFPC with something that he learned from the Salashan trip (this was part of the grant agreement).
- There will be no RVFPC fair booth this year.
- In the future, we need to plan ahead on what events RVFPC is contributing to. This way participant can get involved and set time aside.
- No update on "Public Education Done Right" from Joe. There has been not date or location set yet. Does RVFPC want to participate in this class?
